Pot holder (1)  
Oven mitt (1)  
White towel (1)  
Assorted trims  
Fabric glue  
Fusible webbing  
Scissors

### POTHOLDER

1. Make a pattern of potholder front, by laying potholder over bandanna and, tracing around potholder make the pattern 1/2" bigger than potholder.
2. Cut out pattern and folding over 1/2", glue onto front of potholder.

### DIRECTIONS: OVEN MITT

1. Make two patterns for oven mitt by laying it on top of bandanna. Trace around mitt leaving 1/2" seam all the way around.
2. Cut out two patterns and glue wrong sides together. When glue is set, turn right sides out and slip oven mitt inside, gluing cover around top of oven mitt.
3. Measure, cut and glue trim of choice around top of oven mitt.

### DIRECTIONS: TOWEL

1. Measure and cut enough lengths of bandanna to cover bottom edge of towel, folding over to back. Make sure to center the first length onto front of towel.
2. Using the fusible webbing and iron, attach bandanna to bottom front and back of towel.
3. Glue trim of choice over top edge of bandanna.
